

Product Features:

PRODUCT FEATURES

- Android 4.2 device with 3G,wifi ,NFC,GPS,bluetooth, camera, 58mm thermal printer (1D laser /2D imager barcode scanner optional)
- IP65 industrial grade rugged classic design
- With large capacity battery(3100 Mah)
- Provide free SDK for secondary development
- Can be connected with many peripheral devices, good compatibility.

Applications files:

Supermarket Cashless Payment

Inventory Management

Logistics Tracking

Mobile Communication

Business Data Management

CPU		
Model	MediaTek MT6572 ARMV7 Processor rev 3(V71)	
Speed	Dual core 1.4 Ghz	
Memory		
RAM	512M	
ROM	4GB	
Available space	1.2GB	
Extended Capacity	32GB	
Display		
Screen Size	3.5 inch	
Touch screen	Capacitive touch screen	
Resolution	320×480	
Operating system		
	Android 4.2	
Hardware parameters		
3G	Support Network and phone call and SMS	3G (850Mmhz and 2100mhz)and GSM/GPRS/EDGE (850/900/1800/190 0mhz)
Wifi	WIFI	IEEE 802.11 n/b/g
Bluetooth	Bluetooth	Bluetooth V4.0
GPS	Position	GPS Position/navigation
	NFC	HF 13.56MHZ, Protocol Support : ISO14443A, ISO14443B,ISO 15693,MIFARERead / write mode, etc.
	Thermal Printer	Built-in 58mm thermal printer
		Paper roll size:58mm(width)*30mm (dia)
		Printing speed:60mm/s
		Print context: Characters,barcode,symbol,numbers etc.
	Camera	Built-in 5MP camera ,can take photos and scan 1D and 2D barcode
	PSAM	2 PSAM card slot for payment security
	Barcode scanner (optional)	1D laser barcode scanner and 2D imager (QR code) scanner for Optional
Language		
	Support any languages	
Secondary Development		
	Provide free SDK (secondary development kit)	
Video Player		
	Support for audio and video playback	
Input Output		
Speaker	Built-in speakers	8 ohms 0.5W Diameter 50MM
OTG Output	Can be accessed by U disk, mouse and other USB devices	
Micro USB port	Can be accessed 5PIN USB data cable, support and PC data connection	access to 5PIN USB cable(Micro)
Power Interface	Can be accessed DC9V, 2A DC power adapter	
SIM card	Standard SIM card inserted	
Panel buttons		
	27 function keys +2 side keys	
Battery	Battery capacity	7.4V 3700mAH lithium battery
	Charging time	4.5 hours
	Standby time	7 days
	Playback time	9-15 hours
Accessories		
	Power adapter, micro USB data line,OTG cable,printing paper roll	
Size and Weight		
	Product Size : 220*85*59mm	
	220*85*59mm Weight : 370g
